

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN APPLICATION OF THE SPRING HILL	)	
SUBDIVISION, THAT THE PUBLIC SERVICE	)	
COMMISSION APPROVE THE TRANSFER OF	)	CASE NO. 92-539
SPRING HILL SUBDIVISION WATER	)	
DISTRIBUTION SYSTEM TO THE CITY OF	)	
PERRYVILLE	)	

O R D E R

By Order dated January 9, 1993, the Commission approved the transfer of ownership of the Spring Hill Subdivision ("Spring Hill") water distribution system to the city of Perryville ("Perryville"). The Commission's Order did not address the transfer of Spring Hill's sewage collection lines since there was no mention of those lines in the transfer application. During a telephone conversation with Commission Staff, Spring Hill advised that it had intended for the sewage collection lines to also be transferred along with its water distribution system. Spring Hill reiterated this information in a letter submitted to the Commission on March 10, 1993 and requested the Commission issue an Order accordingly. Spring Hill stated the sewage collection lines were transferred to Perryville at the same time the water distribution system was transferred.

The Commission, having reviewed the letter and otherwise being sufficiently advised finds that:

1. Spring Hill and Perryville were of the understanding that the sewage collection lines would be included in the transfer of the water distribution system.

2. The Commission would have approved the transfer of the sewage collection lines had they been included as part of the utility to be transferred in the application.

IT IS THEREFORE ORDERED that:

1. The transfer of Spring Hill's sewage collection lines to Perryville is hereby approved.

2. All provisions of the Commission's Order of January 19, 1993 are affirmed and remain in effect.

Done at Frankfort, Kentucky, this 24th day of March, 1993.

PUBLIC SERVICE COMMISSION

  
Chairman

  
Vice Chairman

  
Commissioner
